# BREWHOUSE

## ALLERGENS & INTOLERANCES

At Brewhouse we take food allergies very seriously. If you have an allergy or intolerance please let us know before ordering. This allergen list includes all of the 14 allergens we are legally required to declare for every dish on our menu.

We have strict procedures in place for taking and preparing allergen orders, however even with the considerable efforts we go to, unfortunately we can never 100% guarantee that dishes will be totally free from allergens.

Whilst our vegan/vegetarian dishes contain no meat or animal-derived ingredients, we cannot always guarantee that meals will be cooked in dedicated vegetarian/vegan fryers.

Please ask your server for more information
